Four Favorites Survive to Play in Tennis Semi-finals

Champion Williams Finds Tartar in Rand; Johnston Eliminates Griffin, Pell Beats Wright and McLoughlin Swamps Hunter.

THROCKMORTON IS SCHOOLBOY CHAMPION

Play was brought through to the final round in the national lawn tennis championship tournament at the West Side Tennis Club in Forest Hills, L. I., yesterday, and all four favorites survived.

Maurice E. McLoughlin of San Francisco, the world's champion; Edward Norris Williams of Philadelphia, national champion, and Theodore Pell of New York, who last year won the first round in straight sets, while William M. Johnston of San Francisco won five sets to down Clarence J. Griffin, his doubles partner.

Harold A. Throckmorton of Sewaren, N. J., won the national interscholastic championship from Charles S. Garland of Pittsburg, three sets to one at 6-3, 2-6, 7-5, 6-3, in the morning when there were not many persons around.

Close to 7,000 persons made up the crowd that watched the championship matches in the afternoon. The heat was oppressive—it felt like the sun was beating down on the spectators.

Youngsters Show Well. Williams and McLoughlin were generally expected to have walkovers because they were to meet William Rand and Francis T. Hunter respectively.

Pell played the same steady high class game that he has been showing all week and beat Irving C. Wright of Boston at 6-3, 6-1, 6-1, while Johnston showed streaks of good ball and beat tennis in beating Griffin at 6-2, 6-1, 6-3, 6-7, 6-7.

Williams and McLoughlin were expected to have walkovers because they were to meet William Rand and Francis T. Hunter respectively.

DR. DEWHURST WINS SINGLES

Carries Off the North Jersey Coast Championship.

Dr. Edward B. Dewhurst of Philadelphia won the men's singles in the annual North Jersey Coast tennis championships at Bay Head Club, defeating J. Collins Burgwyn, 7-5, 6-4, 3-6 and 6-2.

The semi-finals were played on Labor Day. H. Lovell Carr and J. Potter Stockton won from Dr. Dewhurst and Fred Gibbs in the men's doubles, 4-3, 1-2.

W. Swayne and Percy Osborn defeated Joseph Howland and Edward M. Edmonds, 2-1, 2-1, and 6-2. The final stage of the women's singles will be fought out between Mrs. S. P. Toby and Miss Frances Dalzell.

NEW RECORD IN FUTURE WORLD BY THUNDERER

Mark of Colin and Maskette Eclipsed in Great Race Decided by a Nose.

Harry Payne Whitney's Thunderer, by Brookmatic-Jersey Lightning, captured the two-year-old crown yesterday afternoon when he won the Futurity at Belmont Park from a field of sixteen which included some of the fleetest baby racers in the country.

The unbeaten colt added more lustre to the victory by running faster than any other winner of the event has travelled when the race was run over the full distance of six furlongs. His time was 1:11, which is a fifth of a second faster than made by Colin and Maskette respectively in 1907 and 1908.

The gross amount completed for in this, the richest stake of the East, was \$23,450, and the net value to the winner was \$16,500.

Thunderer ran in the colors of L. S. Thompson, and chasing home in the most vigorous fashion was his stable companion Bromo. It was only by a nose that Thunderer landed the big prize and in another stride Bromo would have been out in front, as last year he was in the final strides.

The Thompson pair were five lengths in front of R. F. Carman's Achievement, an outsider and still standing in the race, and three lengths in front of James Butler's Spur, another despised candidate before the start.

The finish in the big event was a fair sample of the character of the sport served up by the Westchester Racing Association, which was far from ideal. It has been spread before metropolitan racers this season.

A great finish enabled August Belmont's Stromboli to win the Autumn Handicap by a length, with E. B. Cassatt's Trial by Jury nosing out the Finn for the place. That was a wide margin of victory for the flat races, noses and heads being the winning verdict in all the other events.

Thunderer was the favorite at 1-10, beating the track record by two-fifths of a second.

Johnny Tucker Erasus Cup. Riding skill played a big part in the finishes, and that article was confined to the professional element, for in the race for the Autumn Cup, which was called the Erasus Cup, Johnny Tucker of Philadelphia, riding the Little Nearer, was the victor.

NEW CHAMPION AND RUNNER UP

Earl Cooper Wins 500 Mile Auto Race Crosses Tape a Fraction of a Second Ahead of Gil Anderson.

St. Paul, Minn., Sept. 4.—In the most exciting finish of automobile racing history Earl Cooper won the first Twin City 500 mile Speedway race this afternoon from Gil Anderson. Cooper crossed the tape just twenty-one-hundredths of a second ahead of his illustrious stable mate, according to the official figures of the electrical timing device.

Cooper's time was 5 hours 47 minutes 29 seconds flat for the 500 miles. This was an average speed of 86.35 miles an hour. The thrilling race was a pretty struggle between Anderson and Cooper almost from the start.

At the end of fifty miles Cooper was leading, with Resta second. This fifty miles was made at a speed of 90.5 miles an hour. Gil Anderson began to make his presence known during the second lap, when he started to overtake Cooper and De Palma third.

At the end of the race, Cooper was leading, with Resta second. This fifty miles was made at a speed of 90.5 miles an hour. Gil Anderson began to make his presence known during the second lap, when he started to overtake Cooper and De Palma third.

ROBERT A. GARDNER, HINSDALE, NATIONAL AMATEUR CHAMPION AT GOLF FOR A SECOND TIME

Beats John G. Anderson in 36 Hole Final at Detroit Country Club Links by Nice Margin of 5 Up and 4 to Play

Beats John G. Anderson in 36 Hole Final at Detroit Country Club Links by Nice Margin of 5 Up and 4 to Play

DETROIT, Sept. 4.—That little group of golfers who have proved their worth beyond the shadow of a doubt by putting their names on the list of national champions more than once, was enlarged today when Robert A. Gardner, Hinsdale, won the amateur championship of the United States by beating John G. Anderson, Sivanoy, by 5 up and 4 to play in the thirty-six hole final round over the links of the Country Club of Detroit.

Winner of the national amateur title in 1909 and 1915 is Bob Gardner's record, and he proved to-day that he is every inch a golfer and deserves fully the honors that now are his. Great golf over a soggy course during the afternoon round won for Gardner to-day, for at the end of the morning round Anderson was 1 up. It was a lead that lasted until Gardner settled into his stride and after the third hole this afternoon it was not hard to predict the winner.

Good Shots Take Title. Anderson worked his hardest, but he was outclassed by his greater opponent and as the match approached the end Anderson's tee shots kept going wrong.
